Review the instructions below carefully before proceeding to Page 2. If you need additional space for any field in page 2 please feel free to attach a separate sheet of paper. Additional information regarding our services and the application process are available on our website.

### What to Submit:

In order to perform an evaluation we require the following:

- Page 2 of this application form signed and dated
- Final Degrees, Diplomas or Certificates
- Full, Official Transcripts/Marksheets/Academic Records showing all subjects studied, examinations and grades
- If your documents are in Spanish you may provide your own translation or submit one performed by a friend or family member.

We can accept legible photocopies of official documents submitted via fax or e-mail. Please note that we recommend submitting applications and supporting documents via e-mail rather than fax, as many academic credentials do not transmit clearly via fax.

### Personal Information:

**Name of Applicant:** Enter your full current legal name exactly as you want it to be written on your evaluation report. If the name shown on your academic credentials is different from your current legal name enter your other name (s) in the space provided. Please note that the middle name is for reference only and will not be included on the evaluation report.

**E-mail:** Please provide a current e-mail address. You will receive emails regarding your application status (including if your file has been placed on hold for any reason). Once your evaluation report has been completed, you will be emailed an unofficial electronic copy of your evaluation report and its mailing tracking information.

**Summary of Education:** List the schools you have attended (beginning with secondary education and continuing through your most recent degree). This helps our evaluators make sure you have provided all of the documents necessary to provide you with a complete and accurate evaluation. Please include an additional sheet of paper for more space if necessary.

### Service:

The **Detailed Evaluation of Coursework** is automatically selected for you, as it provides the course-by-course evaluation with GPA calculation required by the International American University - College of Medicine.

### Evaluation Time-Frame Options:

The standard processing time is 10 business days. Alternatively, rush services are guaranteed (we will refund the rush fee if the time-frame is not met). **Please note that all time-frames begin the business day after we receive everything necessary for evaluation and do not include shipping time.**

### Delivery Options:
