

## Commission on Dietetic Registration

Review the instructions below carefully before proceeding to Page 2. If you need additional space for any field in page 2 please feel free to attach a separate sheet of paper. Additional information regarding our services and the application process are available on our website.

Applications may be sent to the contact information shown at the top right-hand corner of this page.

### What to Submit:

In order to perform an evaluation we require the following:

- Page 2 of this application form signed and dated
- Final Degrees, Diplomas or Certificates
- Full, Official Transcripts/Marksheets/Academic Records showing all subjects studied, examinations and grades
- Certified** word-for-word English Translations for all academic credentials submitted. Certified translations must be performed by a **qualified disinterested third party**, typically a professional translation company, university or government agency.
  - o **Exception:** If your documents are in Spanish you may provide your own translation or submit one performed by a friend or family member.

We can accept legible photocopies of official documents submitted via fax or e-mail. Please note that we recommend submitting applications and supporting documents via e-mail rather than fax as many academic credentials do not transmit clearly via fax.

### Personal Information:

**Name of Applicant:** Enter your full current legal name exactly as you want it to be written on your evaluation report. If the name shown on your academic credentials is different from your current legal name enter your other name (s) in the space provided. Please note that the middle name is for reference only and will not be included on the evaluation report.

**E-mail:** Please make sure you provide a current e-mail address. We will use your e-mail address to update you on the status of your application (including if it has been placed on hold for any reason) as well as a copy of your evaluation report as soon as it has been completed.

**Summary of Education:** List the schools you have attended (beginning with secondary education and continuing through your most recent degree). This helps our evaluators make sure you have provided all of the documents necessary to provide you with a complete and accurate evaluation. Please include an additional sheet of paper for more space if necessary.

### Service:

The **Detailed Evaluation of Coursework** is automatically selected for you, as it provides the course-by-course evaluation with GPA calculation required by the Commission on Dietetic Registration.

### Rush Options:

Rush services are guaranteed (we will refund the rush fee if the time-frame is not met). Please note that all time-frames begin the business day after we receive everything necessary for evaluation and do not include shipping time.

### Shipping Information and Options:

Your two complimentary evaluation reports include free USPS shipping with tracking number. We also offer expedited delivery for an additional fee. USPS Express Mail arrives within 1-2 business days to most domestic addresses. For International Express delivery, the time frame may vary. Please refer to your USPS tracking number for details.

### Additional Copies:

Your evaluation includes two official signed and stamped reports shipped to the address you provide along with an unofficial report sent to you via e-mail. Please fill out the additional copy section if you require additional official reports.

### Payment Information:

Payment must be submitted in full before the evaluation can begin. Please follow the payment instructions on page 2. Please note that we cannot accept cash, wire transfers, or Discover Card.

### Notes:

This is an optional section for any specific requests or comments you would like to include with your application for foreign credential evaluation.
