ABOUT FCSA EVALUATIONS

FCSA evaluations are based on standards and practices recommended by the National Council for the Evaluation of Foreign Credentials (CEC), standards adopted by one of Americas largest universities, and placement recommendation contained in the American Association of Collegiate Registrars and Admission Officers (AACRAO) Electronic Database for Global Education (EDGE). FCSA maintains a comprehensive library of materials associated with the evaluation of foreign and domestic credentials. Evaluations are subject to the policies of the receiving institution.

Transfer credit on FCSA evaluations is reported in semester hours as awarded by universities accredited by one of the six regional accrediting associations or recognized by the Provincial Ministry of Education. Transfer equivalency recommendations are subject to the transfer credit practices of the receiving institution.

Grades on FCSA evaluations are notated using the standard U.S. four-point scale: A=4, B=3, C=2, D=1, F=0. A "P" in the grade column indicates the class was passed and no grade assigned. "ADV" in the grade column indicates upper-division undergraduate credit.
